The Cotton Collection is a stunning casual range. This is available as a sample card with a colour chart, actual samples of all trims and a colour photograph of our tiebacks and tassels.

The catalogues from our Trim Collection (9 in total) each come with their own price list and actual samples of cords, braids, fringing & colour ranges

Naturally... COTTON

Today, the world uses more cotton than any other fibre, it is part of our daily lives from the time we dry our faces on a soft cotton towel in the morning until we slide between fresh cotton sheets at night. It is a never-ending story, as scientists continue to develop better ways to produce and use one of the world's oldest fibres — cotton.
